

# VIP Hylas 54

Cruising sailors will recognize and appreciate the brilliance of German Frers' Offshore hull design in the incredibly popular VIP Hylas 54. Her plumb bow, long waterline and beamy aft sections deliver speed and power. An additional reward of this 54's powerful wide hull form is an interior resembling that of a mega-yacht. Three luxurious king and queen size staterooms. A gourmet class galley and enormous main salon.

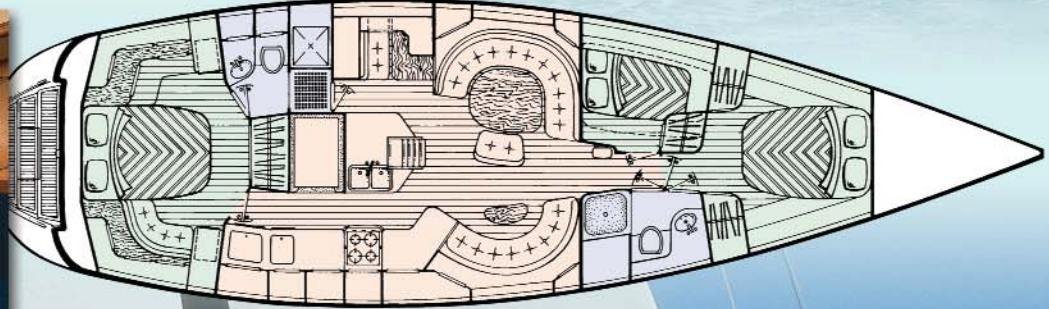

You'll find all the features and amenities you'd expect on every VIP Hylas yacht. A large comfortable deck with center cockpit, electric windlasses, power winches, wide swim platform with lockers for SCUBA and snorkeling equipment. And, of course, special back-up systems such as dual fresh water pumps, twin alternators and extra large water tanks.

Charter the exciting VIP Hylas 54 in the exotic Virgin Islands and discover the winning combination of form, function and cruising magic.

*"Kudos to everyone, couldn't ask for better service."*

– R. Nyzen & Crew, Hylas 54
