

# VIP Jeanneau 45

The sleek, stately lines and graceful exterior of the VIP Jeanneau 45 contain a wealth of interior space. Not only is she spacious and comfortable, she is a spirited, agile well mannered cruiser capable of fast passages in style.

The 45 carries a broad 14' 8" beam, which allows extra sail carrying ability with clear uncluttered decks and a spacious interior. The large livable cockpit further benefits from twin wheels, allowing an unencumbered walkway with access to the water through the opening transom.

Designed to take on whatever the sea might deliver, this impressive sailboat represents a harmonious symmetry of performance, comfort and elegance. She is a powerful, stylish cruising yacht that is a well balanced lively performer, ideal for live-aboard cruising or a Caribbean charter with friends or family. Main saloon table converts to a spacious bunk.
