

VIP Tarquin 59

The queen of the VIP power fleet and unrivaled in the Caribbean, the VIP Tarquin 59 combines outstanding spacious comfort, a refined, performance-oriented design and an ease of handling which will turn heads and inspire confidence each time you leave port.

The VIP Tarquin 59 has all the comforts of home afloat. The galley has full sized domestic appliances and expansive work surfaces. Now you can cater to your guests just as you would at home. Up to ten guests can be accommodated in five luxury staterooms. The huge sheltered aft deck has a fixed table surrounded by a cushioned settee for alfresco dining and an aft outdoor grilling area making food preparation at sea both safe and practical. Deck space is massive and uncluttered, and includes a private upper deck sunbathing area. A "sea-stair" allows easy access to

the water. The spacious salon and galley below is both functional and comfortable. This is luxury cruising at its best for large groups with nearly every amenity imaginable.

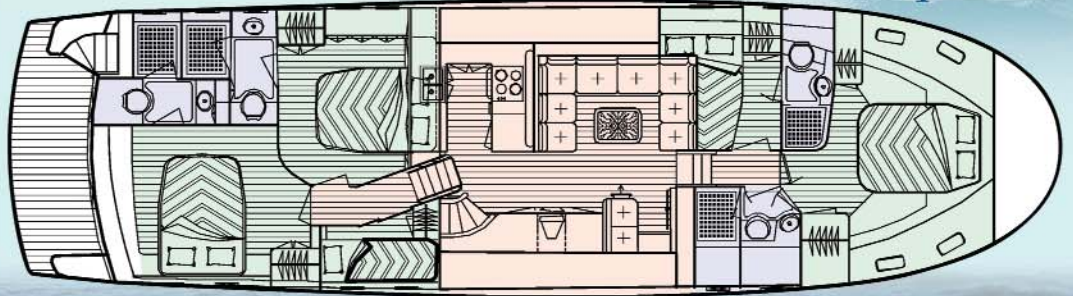

"Once again, the best way to take a vacation in the Caribbean."
